

It's Maple Season

If you see steam rising from a sugar camp, you know maple season is here.

Maple syrup is made by boiling thin sap from the sugar maple tree over fiery hot flames until most of the water in the sap has evaporated to syrup. Between 40 and 80 gallons of sap are needed to produce one gallon of syrup.

Visit any or all of our maple sugar camps during the Taste and Tour. Enjoy free tours and sample maple products.

Products will be available for purchase so you can enjoy some of nature's sweetest treats year round.

Mark Your Calendar for the 2021 Taste and Tour March 13 & 14

Taste and Tour Maple Camps

Historical and Genealogical Society of Somerset County, Inc.

Maple Heritage, History, Lore, and Education is the main focus for the Somerset Historical Center's Taste and Tour experience where visitors can learn about maple sugaring techniques from the earliest records through the present day. See a pre-1850 lean-to operation, an 1860's camp, and maple exhibits. Sample the "toothsome" maple taffy treat spotza, freshly stirred sugar, and burnt-sugar cake!

10649 Somerset Pike, Somerset, PA 15501
Contact: Mark Ware at c-mware@pa.gov
Phone: 814-445-6077
www.somersethistoricalcenter.org

2 Baer Bros. Maple Camp

Baer Bros. Maple is based around a traditional setting in the woods. We collect sap from over 5,000 taps. There will be sugar making, spotza, boiling on a wood-fired evaporator and tree tapping. The maple camp is on Appy Acre Rd. Visit our CDL maple equipment and maple product store at Sugar Cake Rd.

234 Sugar Cake Road, Somerset, PA 15501

3 Walnutdale Maple Farms

Walnutdale Maple Farms is truly in the "Land of Milk and Maple." The Friedlines have been boiling maple syrup and milking dairy cows for 4 generations. The "sugar woods" has 1,200 taps using state-of-the-art tubing, but visitors can still tap a maple tree the traditional way and gather buckets of sap at the sugar camp. Enjoy maple sundae samples. Pure maple products available for sale.
